

# The Satanic Cult Of Kabbalah

By David J. Stewart | October 2014

*2nd Corinthians 10:5, "Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ."*

I am a born-again Christian. Thus, I love people in the Lord Jesus Christ, Whose Holy Spirit indwells me as His child (Romans 8:9). I believe that the King James Bible is the preserved, inspired, inerrant, infallible, incorruptible, perfect, Words of God in the English-speaking language for this generation (2nd Timothy 3:16-17). Hence, I am as narrow-minded as the Word of God, the Holy Bible. Everything that I believe is based upon the Holy Bible. History, archaeology and the sciences all support the divine origin of the Bible.

As a born-again Christian for over 30-years, and having studied the King James Bible my entire Christian life, by the grace of God I can perceive satanic deception almost immediately. The Word of God is a lamp unto our feet (Psalms 119:105), that never changes (Matthew 5:18). The wicked world keeps changing, but God and His Holy Word never change. My goal is not to be unkind to anyone; but rather, to steer you clear of satanic deceptions that are intended to send you to Hell for ever. The Devil is real and he hates everybody! Revelation 12:10 says Satan accuses Christians night-and-day before the throne of God. John 8:44 calls Satan the father of all liars and murderers. Satan disguises his false prophets as ministers of righteousness (2nd Corinthians 11:13-14). 2nd Corinthians 11:15 teaches that Satan disguises himself as Christ to deceive the world. Kabbalah is a satanic deception!

To me Kabbalah is much like the new confusing *Common Core* curriculum for children, that is, it was deliberately intended to dumb people down, to confuse them and blind them from the saving Gospel of Jesus Christ. Kabbalah is insanely complicated, which makes it ineffective and worthless for the average person. The arrogant claim that Kabbalah wasn't meant for those who can't understand it is as ludicrous as watching Charlie Brown wait for *The Great Pumpkin* to arrive (because he doesn't exist). Kabbalah wasn't meant to be sensible. It is hogwash intended to dumb down those who buy into it, always having another "hidden" higher step (there are 125 of them in Kabbalah) that you have to develop level-by-level to understand. So in Kabbalah, you are always ignorant of some alleged higher level. I like to call Kabbalah, "knowledgeable ignorance." What a fraud!

Basically, Freemasonry has opened it's doors to recruit the world's masses since 1995 by openly promoting the books teaching Kabbalah to them. One of the things that I love about God is that He makes the same truth in His Holy Word available to all men. No one can claim to have special revelation from God (2nd Peter 1:20). There are no levels or hidden knowledge with God that men must progress through in order to be entitled to receive the next level. Kabbalah attempts to provide spiritual answers without the Holy Bible. Kabbalists say things like, "God bless you!" to confuse people. Kabbalah provides a religious vehicle upon which to ride, but it is demonic in origin, totally devoid of the inspired Words of God in the Bible.

Read this bizarre claim by a Kabbalist...

Two years ago, a tanker spilled oil into the Pacific and no one knew how to get rid of the mess. So we at the Kabbalah Centre in Los Angeles took a group of people down to the beach where we did a meditation and a healing circle. In the following weeks, the oil dissolved itself. It disappeared, and experts to this day don't know where the oil went or what happened to it. The idea here is that we can make a difference in the world through our consciousness. So the next time you draw positive energy to yourself, remember to also push it outwards and help to create healing for a world in chaos.

SOURCE: [Living Wisdom](#)

They're not talking about prayer to a divine God; but rather, New Age occult practices (meditation and a healing circle). Such occult concepts are not taught in the Scriptures. Kabbalah is said not to be New Age, but it certainly is from a Biblical standpoint. New Age is just that, occult practices of the New World Order (the [Zodiac Age of Aquarius](#)).

The Bible teaches that Satan was once the archangel Lucifer (Isaiah 14:12-17 - King James Bible). Satan's entire goal for your life is to take you to the Lake of Fire with himself for ever. Beware of all modern Bibles, which are corrupted, all of them [completely removing the name and doctrine of Lucifer](#). Most people will weep bitterly in eternity (Luke 13:24; Matthew 7:13-15), weeping and gnashing their teeth (Luke 13:28), filled with hate and rage at the Devil who conned them into a false plan of salvation. It is not too late if you are reading this article. I will expose Kabbalah for the Satanic deception that it is, just for you (because I care about you whoever you may be), and tell you [how to be born-again](#) and live for ever! Please hear me out.

## Kabbalah is a Satanic Substitute for the Gospel of Jesus Christ

To get right to the point concerning Kabbalah, it is a system of demonic beliefs that attempt to substitute man's wisdom for the Gospel of Jesus Christ. Kabbalah means "receiving." In 1995, Kabbalah was made openly available worldwide for anyone to study. This is because the New World Order was kept hidden prior to 1995, because American society wasn't indifferent enough yet to accept it. Forty years ago people were called nutty conspiracy theorists for even mentioning the New World Order, but today it has become a widely accepted term. The sinister plot for World Government (which was kept a well-guarded secret for the entire 20th century) is today openly promoted and accepted. I truly believe that the PREtribulation Rapture is so very near.

Here are the basic teachings of Kabbalah...

### WISE MEN OPENED A SECRET

The meaning of life has been found through studying Kabbalah science.

(Education is totally free of charge).

### KABBALAH... WHAT IS THIS?

Kabbalah is a science which allows a modern man to discover the force behind all processes taking place in our material world – i.e. to

enter into metaphysical (spiritual) sphere...

### HOW MANY PEOPLE STUDY IT TODAY?

Thousands all over the world and the number is growing.

Today it is the most open-minded people who ask themselves :“Who am I?”, “What is purpose of my life?”, “Is there any sense behind that all?”.

**SOURCE:** [What is the meaning of life? Purpose of life revealed](#)

Millions of people are now followers of Kabbalah! What is the meaning of life? Revelation 4:11 teaches that all things were created TO PLEASE GOD. The Bible tells us that our duty is to fear and obey God. Ecclesiastes 12:13, “Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man.”

I think Pastor Jack Hyles (1926-2001) explains the meaning of life very well...

Man was created for the glory of God. He was created for the praise of God. He was created in order that the great heart of God, Who is love, would have a special object of His care and recipient of His love. God does not want us basically to save us from Hell, though that is one reason. He does not want us mainly to give us Heaven, though that is another reason. He does not want us mainly to give us joy and peace, but that is certainly another reason. God mainly wants us for Himself, that we may praise Him, adore Him, magnify Him, fellowship with Him and become the object of His great love. This is why we are commanded to do everything we do to the glory of God. I Corinthians 10:31, "Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God."

**SOURCE:** [The Main Reason for Separation - by Pastor Jack Hyles](#)

Isn't that beautiful? I am special to God, and so are you. What you just read makes complete sense and any child can understand it. This is what Christianity teaches in the Holy Bible.

## The Very Deliberately Confusion World of Kabbalah

In sharp contrast, demonic Kabbalah portrays God as impersonal, as some higher, energy force, called “The Infinite.” Satan is the author of confusion. Kabbalists speak much of metaphysics (the philosophical study of being and knowing). Read this crazy stuff that Kabbalah teaches concerning prayer (they don't pray; but rather, meditate and chant). Kabbalists deny being a religion, New Age or Jewish mysticism, but they are indeed all three of these. Notice that they talk in the following quote about “chakras” (energy pathways for demonic spirits), which is a teaching of occultic *Kundalini Yoga*...

Kabbalists stress that our prayers are not directed to the sefirot but through them, so to speak. We are not worshiping the sefirot, for they are not gods or goddesses. You

can think of the sefirot as the chakras of the cosmos. They are step-down transformers for the light of Ein Sof, vessels that channel God's bounty to humanity. In answer to our prayers, Ein Sof's energy moves through the sefirot to effect change. Kabbalists also stress that our prayers should not always focus exclusively on one sefirah to the exclusion of the others. Rather, our prayers are meant to enhance the unity of the sefirot so that there is a harmonious flow of energy from Ein Sof through the channels of the sefirot to our world.

SOURCE: [Practical Prayers of Kabbalah - Names of God Series #8](#)

You're probably asking yourself what "sefirot" means? Here's what it means. Then go back and read the preceding quote again...

Sephirot (/sfi'root/, /'sfirout/; Hebrew: סְפִירוֹת Səphîrôt), meaning emanations, are the 10 attributes/emanations in Kabbalah, through which Ein Sof (The Infinite) reveals himself and continuously creates both the physical realm and the chain of higher metaphysical realms (Seder hishtalshelus). The term is alternatively transliterated into English as Sefirot/Sefiroth, singular Sephirah/Sefirah etc.

SOURCE: [Sephirot - Wikipedia, the free encyclopedia](#)

Kabbalah doesn't teach prayer. They don't believe that men are sinners in need of a Savior. There is no Holy Spirit. There is no Satan. Kabbalah is not compatible with Biblical Christianity. The Torah is allegedly oral tradition given and passed down from Moses, but the Bible never teaches that. God gave us the Pentateuch (the first five books of the Old Testament) to Moses. That's it! There were no oral traditions from God given to Moses to pass down to future generations. Kabbalah is alleged to originate from HIDDEN teachings found in the Torah. That's a lie of Satan. The Talmud is satanic, teaching that a Roman soldier raped Mary and gave birth to Jesus. The Talmud teaches that Jesus was boiled in human excrement.

Sadly, Baptist pastors who support religious Zionism (idolizing the present state of Israel) are also endorsing Judaism and the Talmud, both of which blaspheme and reject Jesus Christ. It is wickedness! True Israel won't be regathered until Christ returns at the Second Coming! Today's counterfeit Israel is awaiting their counterfeit messiah (the Antichrist), who will reign over his counterfeit kingdom of the New World Order.

I have spent dozens of hours studying Kabbalah and have concluded that the belief system was never intended to be seriously taken by common man. It is a joke on the common man, a substitute intended to blind him from the Gospel of the Lord Jesus Christ (which is the only way to be saved). Masonic author Manly P. Hall teaches<sup>[1]</sup> that Kabbalah is rooted in Gnosticism, which is false spirituality attained by intuition (beyond the senses) rather than with reasoning or observation. Any attempt to be spiritual (godly) without the Holy Spirit of God is demonic in nature. Any attempt to reconcile with our Creator without the cross upon which the Son of God (Lamb of God) died is satanic in nature. Only through Christ, the only Mediator (1st Timothy 2:5), can man be reconciled with God the Father.

[Professor Henry Makow](#) published the following [eye-opening article](#) for Richard Evans exposing the Masonic and Jewry satanic nature of Kabbalah.

## The Kabbalah is a Hoax

In October 1946, Soviet agent Alger Hiss invited Canadian psychiatrist Brock Chisholm to Washington DC to lay the foundation for the corruption of America's public schools using sex education and sensitivity training. Chisholm, a Unitarian who soon became the first Director of the World Health Organization, advocated severing children's morality from the "influence of their elders" by conforming to the amorality of the Kabbalah. <sup>[1][2]</sup>

Many years later, at the 2005 14th World Jewish Congress, Dr. Avraham Elqayam of Bar-Ilan University said the Kabbalist mindset was being mainstreamed through vehicles like Harry Potter books and movies, Madonna and other celebrities. Why does the United Nations and the World Jewish Congress want Kabbalah taught to the masses of the West?

"Kabbalah" is the unacknowledged religion of the West, a fact that will become evident over time. It is the belief system of Freemasonry and organized Jewry, the two forces that govern the world. It is the reason God and the Ten Commandments have been banished from public life, why Christianity has been gutted and replaced by moral "relativity."

## KABBALAH DENIES THE TRUE CHARACTER OF GOD

In its current form, the Kabbalah was created by Isaac Luria (1534-1572.) He derived it from THE ZOHAR, a 13th century 23-volume work by a Spanish Jew, Moses de Leon.

Moshe was a prolific writer of books steeped in Medieval philosophy and occult mysticism. According to Wikipedia, "He knew how to charm with brilliant and striking phrases without expressing any well-defined thought. He was a ready writer and wrote several mystical and cabalistic works in quick succession."

These books were arguments against assigning any moral attributes to God or "the endless one" (Ein Sof ). He argued that distinction between good and evil place limits on the infinity of the Ein Sof. Further, Ein Sof is so transcendent that God's not in this universe and has no direct interactions in it, but can be known through ten emanations or qualities of energy called the "Ten Sefirot." The Sefirot are the ten circles depicted in the 'Tree of Life' diagram pictured in the Zohar and Kabbalah. These mysterious medieval elements continue to intrigue credulous minds and made it a Middle Ages best seller.

## WHERE DID THE KABBALAH COME FROM?

The Kabbalah is largely based on the Zohar. According to the Jewish

Encyclopedia, this is its origin:

"There is a story told about how after the death of Moses de Leon, a rich man of Avila named Joseph offered the widow, who had been left without means, a large sum of money for the original from which her husband had made the copy; and she then confessed that her husband himself was the author of the work. She had asked him several times, she said, why he had chosen to credit his own teachings to another, and he had always answered that doctrines put into the mouth of the miracle-working Simeon ben Yohai would be a rich source of profit". [3]

The specious notion of a Jewish secret mystery school complete with systems of divination and reality-altering magic created a sensation among Jews throughout Europe. However the scholarly Sephardic Jewish leaders in Moorish Spain dismissed the Zohar as a hoax full of heretical and dangerous ideas and banned it. When the Catholics regained control of Spain from the Moors and expelled (or converted) the Jews in 1492, the dominance of Sephardi culture over Jewry waned.

Many intellectuals went into exile in Jerusalem, where Issac Luria was teaching the Zohar. The ban forbidding study of the Zohar was lifted in 1540 when the balance of power shifted to the Ashkenazi rabbis. Luria's Kabbalah opus was published after his death, and Kabbalah replaced Hakirah (Mishne Torah) as Judaism's mainstream theology. The main reason for mainstreaming Kabbalah was to underpin belief in the arrival of the Messiah and with it, Jewish world dominion. Rumors spread like wildfire that the arrival of the Moshiah (Messiah) was at hand.

## SATANISTS CHAMPION THE KABBALAH

In the midst of this wishful fervor, the infamous Kabbalist Sabbatai Zevi [4] announced in Smyrna in 1666 that he was the Messiah. Over a million Jews worldwide became his followers. Sabbatai Zevi preached the satanic doctrine, "Praised be He who permits the forbidden."

He reasoned that doing good keeps the universe too balanced and slows down the return of God. Therefore sin is virtue; and observance of the Torah morality was the sin. The essence of Satanism is to turn good and evil on their head. Sabbatai Zevi's movement thrived until he promised to overthrow the Caliph of Istanbul. The Caliph had him arrested and gave him the choice of converting to Islam or execution. Sabbatai Zevi converted without hesitation, telling his followers to do the same.

Conversion to Islam was a bit over the top for many rabbis who excommunicated the Sabbateans. However, a core of followers converted with him.<sup>[5]</sup>

Rabbi Martin Antelman believes an unknown number of Sabbatai's followers returned to the mainstream fold of Judaism and remained secret practitioners of the cult.

The Nobel Prize winning Yiddish storyteller Isaac Bashevis Singer recounted legends among pre-Holocaust Jews in Poland of entire villages that succumbed to these Satanic Kabbalists. His novel "Satan in Goray" is devoted to this subject.

Sabbateanism went underground and within a century had a revival as the semi-secret cult of Jacob Frank. When Adam Weishaupt's branch of the Illuminati was exposed, Amschel Mayer Rothschild set Frank and his cult up in Frankfurt as the new head of the Illuminati.

Frank followed Sabbatai Zevi's strategy of pretending to convert to a target religion in order to infiltrate and destroy it. Frank later returned to Poland with his followers and "converted" to Catholicism. His sponsor had been the King of Poland. But within a year his infamy was obvious and he was imprisoned.

## CONCLUSION- HOCUS POCUS- SMOKE AND MIRRORS

The Kabbalah is a hoax, but one which governs our deluded and degenerate society. For the Kabbalist, good and evil are 'relative' so evil is an illusion. Instead of right and wrong, Kabbalah says every action is like the moon, with a light side and dark side. The Kabbalists say that the adept must embrace his or her dark side to become, "a fully integrated human being".

Not everyone who studies Kabbalah becomes a Satanist. But, Kabbalah is a prerequisite for ALL Luciferian practitioners. Freemasonry rides on Kabbalah, the 19th century "Pope of Freemasonry" Albert Pike said, <sup>[6]</sup>

"The Masonic Religion should be, by all of us initiates of the higher degrees, maintained in the Purity of the Luciferian doctrine. If Lucifer were not God, would Adonay and his priests calumniate him? Yes, Lucifer is God, and unfortunately Adonay is also god. For the eternal law is that there is no light without

shade, no beauty without ugliness, no white without black, for the absolute can only exist as two gods..." [7]

There is only one God. Lucifer is the spine-chilling vacuum that results from the absence of God. The Kabbalah is a hoax that allows its followers to reformulate reality to serve their selfish interests. This is why they teach that "truth is by its nature subjective." Modernism and secularism are based on the Kabbalah. It is the reason our "civilization" is preoccupied with violence, sex and the occult, and why current events appeared to be scripted in Hollywood. It is the reason our political and cultural leaders are liars and why society has lost its bearings.

As long as Kabbalists (i.e. Illuminati) continue to rule, humanity will continue to spin its wheels.

## Kabbalah Doesn't Teach How to Have Your Sins Forgiven

There can be no forgiveness of sins or eternal life apart from faith in the precious name of Jesus, Who died on the cross for our sins and rose from the dead. Romans 1:16, "**For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.**" We are saved by repenting of our **dead works** (like Kabbalah) and believing the Gospel. Kabbalah is a works-based religion! Kabbalists say it is a science and not a religion, but by very definition Kabbalah is a religious system of beliefs.

Jewish Rabbi, Michael Laitman, who is a well-respected teacher of Kabbalah, **teaches that we are sinners who need God's help to correct our life**, but he totally rejects Christ's payment on the cross for man's sins. Laitman dares to quote Scriptures, misapplying them, to bolster up his satanic heresy.

Kabbalah is a system of beliefs that deny the Holy Bible as God's inspired Words. Kabbalah rejects Jesus as the Christ, the Messiah, the Godhead Who became incarnate (in the flesh), born of a virgin, lived a sinless life, and Who died on the cross for the sins of mankind, raising up bodily from the dead three days later. Kabbalah and Christianity are diametrically opposed to each other. Truly, Kabbalah will lead you away from the Lord Jesus Christ and His Word.

I watched a [16-part video series](#) at [Kabbalah.info](#) by Anthony Kosinec, to gain a clear understanding of what Kabbalists are teaching people. The original lecture was presented for the *American Television Channel*, "Shalom TV." The videos are well prepared and recorded. Mr. Kosinec (a student of Michael Laitman) is an impressive orator and I compliment him for thoroughly understanding what he believes, even though I totally disagree with him. The intent of my article is not to be unkind nor cast a negative reflection upon Kosinec; but rather, to teach the Bible as I understand it to expose the false teachings of the system of Kabbalah. I believe that Anthony Kosinec is very sincere in his beliefs, but he is exalting his earthly wisdom "against the knowledge of God" (2nd Corinthians 10:5, our text verse).

## The Holy Bible Teaches the Gospel of Jesus Christ, Not Kabbalah

There are some really whacked-out websites online that make weird claims, [like this website](#) that says Jesus taught Kabbalah but the Romans outlawed it. That is utter nonsense! Jesus taught the Gospel, not the demonic system of Kabbalah (which originated in pagan Babylon when the Jews spent 70-years in captivity). **Mark 1:14, "Now after that John was put in prison, Jesus came into Galilee, preaching the gospel of the kingdom of God."** The Word of God defines the Gospel as:

1st Corinthians 15:1-4, "Moreover, brethren, **I declare unto you the gospel** which I preached unto you, which also ye have received, and wherein ye stand; By which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain. **For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures.**"

Salvation is not doing your best, it is having Christ's best put to your account through receiving Him by faith. The "Gospel" (good news) is three things: Jesus died on the cross for our sins, He was buried, and then He rose from the dead bodily after three days. If you realize that you are a sinner in the eyes of a holy God in Heaven, and you believe that Christ died for your sins on the cross and rose, you are saved. That's how you get born-again! The very moment that you place your complete trust in the Lord Jesus Christ, God's Holy Spirit comes to indwell you (1st Corinthians 3:16-17).

In sharp contrast, Kabbalah doesn't teach faith in the Gospel of Jesus Christ. Satan's greatest weapon is to con people into living a religious life without ever being born-again. A man with no hope is better than a man with false hope, because a man with no hope is still looking for answers. Kabbalah provides a false hope, which if you stop

searching for the truth, you may never get saved and consequently, you'll burn in Hell for all eternity. That's exactly what Satan wants and why false religions like Kabbalah were concocted. I plead with you, whoever you may be, believe on the Lord Jesus Christ and be saved (John 6:28-29; Acts 16:30-31).

## The Fundamental Mumbo-Jumbo Teachings of Kabbalah

Kaballah is called "the hidden science." Kabbalah attempts to answer the basic question, "What is the meaning of life?" Kosinec, a devout student of Kabbalah, provides the following quote by Dr. Michael Laitman to help students grasp what Kabbalah is...

**The wisdom of Kabbalah teaches a practical method of attaining the Upper world and the source of our existence. By realizing our true purpose in life, man attains perfection, tranquility, unbounded enjoyment, and the ability to transcend the limits of time and space while still living in this world. —Rav Michael Laitman, PhD.**

Unfortunately, Kabbalah rejects the inspired Word of God and attempts to provide secular answers without the Bible. According to Kosinec, there are 125 steps to ascending to the total reality of life, the climax of spiritual enlightenment.

Douglas Grothuis, author of UNMASKING THE NEW AGE, wrote:

**"Once you've deified yourself [made yourself into a god,] which is what the New Age is all about, there is no higher moral absolute. It's a recipe for ethical anarchy.**

**SOURCE: *Time Magazine*, (December 7, 1987), pg. 72.**

The Bible teaches in sharp contrast that man is totally incapable of working his way back to God. This is why God in His love, mercy and grace sent His only begotten Son into the world to die on the cross in our place, to pay a debt that He did not owe because we owed a debt that we could not pay. Jesus is the Savior of all men (1st Timothy 4:10). The question is, will you receive Christ as your personal Savior? You must receive Him by believing that He died on the cross for YOUR SINS and rose from the dead. When you believe on the Lord Jesus Christ, God puts your sins on His account (as if you'd never sinned), and then places Christ's righteousness on your account. We don't go to Heaven because we are good, but because God is good! Amen!

Mr. Kosinec teaches that the basic human desires are for: sex, food, shelter, wealth, power and knowledge (science, religion, art). He says that the Creator desires to give pleasure, and the creature desires to receive pleasure. Kosinec uses a great illustration of a friend cooking dinner for a guest. The friend desires to pleasure his guest. Even though the guest may not like the dinner, he will eat it nevertheless and make himself enjoy it because he also desires to pleasure his friend. This is reciprocating, bestowing and being bestowed. Kabbalists refer to an additional sense called the "point in the heart," a greater spiritual reality, ascending incrementally to the upper world. Kosinec teaches that we need to build within our self this additional sense.

The third reason that Kabbalah is called “the hidden science” is because it deals with what is hidden from our five senses. It answers a question that can’t be answered any other way. It answers, basically, “What is the meaning of life?” This is a deep and severe question, because a person who has this question and cannot find the answer in what their traditions tell them, in what their science tells them, in what art and literature tells them, in what psychology tells them—a person who simply cannot be satisfied with anything but the answer to this question, “What is the meaning of my life?” is a person who is ready to sense beyond the five senses.

**SOURCE:** [Kabbalah: A Basic Overview \(.doc file\)](#)

Kabbalah teaches that there are only two elements: Creator and the creature. Everything that we perceive is the quality of the Creator (upper world) and the qualities of the creature (lower lower). The quality of the Creator is “the Will to bestow” and “the will to receive.” The will to bestow is to love and support everything that exists. Kabbalah teaches that the way to ascend up the 125 steps is to sense bestowal and create an inner similarity to the Creator's desire to bestow.

Kabbalah says there are only two things in the universe: the Creator and the creature. Adam was the first man. Due to his ego, and his selfish expanded will to receive, Adam reduced himself through 125 steps of human depravity. Kosinec teaches that the pain of man's history evidences man choosing the wrong path instead of adhering to Kabbalistic teachings (process of development) of the hidden Torah. Kosinec teaches there are 613 desires that we can each change in our life as the creature, to harmonize with the Creator. He calls this *transformation*. To ascend up the 125 steps is said to reach “complete reality.” Kabbalah teaches there are 125 transformations of the will to receive, to the will to bestow. Kosinec teaches that Kabbalah is not studied to attain intellectual knowledge; but rather, transformation. Kosinec teaches that human suffering is caused by the difference between the will of the Creator verses the will of the creator.

In sharp contrast to all of Kabbalah's strange false teachings on the revelations (what they call *sefirot*) of the Creator, the Word of God teaches that Jesus Christ is the manifestation of the Godhead...

1st Timothy 3:16, “And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory.”

Kabbalah teaches that our Creator manifests Himself in every way except in the person of Jesus Christ. The Lord said in John 14:6, “Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.” Religion hates Christianity, because Bible-preachers uproot and expose false religion. Kabbalah is synonymous with New Age in it's teachings. Daniel 11:38 in the King James Bible prophecies that when the Antichrist comes, he will worship “the god of forces.” This is Kabbalah, New Age, Kundalini Yoga, Ying Yang and any other occult (hidden) religion that portrays God as an energy force...

"The New Age Movement, the Humanist Religion, and the Communists have made a god out of man; they have deified mankind. The new morality for a man-god is whatever he decides it is, and that is what the New Age-Humanists-Communists have done. Their new morality is called Situation Ethics."

## God's Divine Wisdom Verses Man's Wisdom

1st Corinthians 1:17-21, "For Christ sent me not to baptize, but to preach the gospel: not with wisdom of words, lest the cross of Christ should be made of none effect. For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God. For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent. Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world? For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe."

Biblically, Satan is the god of this world. 2nd Corinthians 4:3-4, "But if our gospel be hid, it is hid to them that are lost: In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them."

1st Corinthians 3:18-19, "Let no man deceive himself. If any man among you seemeth to be wise in this world, let him become a fool, that he may be wise. For the wisdom of this world is foolishness with God. For it is written, He taketh the wise in their own craftiness."

Why would anyone choose to follow the utter nonsense of Kabbalah, when you have the simple and plain inspired Words of God in the King James Bible? You have thousands of PROMISES from God in the Bible. Kabbalah doesn't concern itself with the promises of God. Titus 1:2, "In hope of eternal life, which God, that cannot lie, promised before the world began." It is simple to be saved. 1st Thessalonians 4:14, "For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him." If you see yourself as a guilty sinner in the eyes of holy God, then just believe on the Lord Jesus Christ Who died on the cross for your sins, and rose up, and you will immediately receive eternal life.

## God Opens Doors!

When one door closes He opens another. It's not that Jesus closes doors, but He opens other doors! When Jesus opens a door, no man can shut it! ...

*Revelation 3:8, "I know thy works: behold, **I have set before thee an open door, and no man can shut it:** for thou hast a little strength, and hast kept my word, and hast not denied my name."*
